EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Deborah Herzfeld on 9/29/10.

The application has been amended as follows:

Cancel claims 164.

The following is an examiner's statement of reasons for allowance: In view of certified English translation of French Patent Application No. 02 11096, filed September 6, 2002; French Patent Application No. 02 11907, filed September 6, 2002; and French Patent Application No. 02 1104, filed September 6, 2002 , co-pending applications 10/526,674 and 10/526,675 are no longer prior art. Co-pending application 10/526,674 has been abandoned. The process claims are unobvious over the combination of patents 5,985,298 and 5,783,176 since the patents do not disclose or fairly suggest the claimed process for obtaining a charging and separating makeup result on the eyelashes comprising applying to the eyelashes a composition comprising, in a cosmetically acceptable medium, at least one wax in an amount of at least 27% by weight,

relative to the total weight of the composition, wherein said at least one wax has a tack of greater than or equal to 0.7 N.s and a hardness of less than or equal to 3.5 MPa, and wherein the at least one wax is a compound of formula (I).

In view of terminal disclaimer, submitted over co-pending applications 10/656201 and 11/056239, there is no obviousness-type double patenting rejection. In view of terminal disclaimer submitted over 10/654,887 dated 8/10/09, there is no obviousness-type double patenting rejection.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
